

- Easy installation of the sensor by thread adapter nut
- Inclusive 10 m sensor cable

## description

Gas sensor holder for one sensor of the GE 700 series including 10 m cable.

## technical data

### ambient conditions

temperature max. 40°C

### mechanical construction

material PVC  
dimensions see dimension drawing

## order information

<u>name</u>	<u>description</u>	<u>article number</u>
GSH	gas sensor holder incl. 10 m cable	29113000K
GSH 50m	gas sensor holder incl. 50 m cable	29113100K

## accessories

### sensors

GE 710 CL2	Sensor for measuring Chlorine gas
GE 715 CLO2	Sensor for measuring Chlorine Dioxide gas
GE 725 HCL	Sensor for measuring Hydrogen Chloride gas
GE 735 H2S	Sensor for measuring Hydrogen Sulphide gas
GE 740 NH3	Sensor for measuring Ammonia gas
GE 760 O3	Sensor for measuring Ozone gas
