

4SCR-CM

Connecting cable

- Low cable capacitance
- Screened
- Sold by meter

description

Connecting cable for conductive conductivity sensors type LE 44 Pt or LD 10 K Pt

technical data

ambient conditions

ambient temperature -20 .. +70°C

mechanical construction - panel mounted housing

material PVC

order information

<u>name</u>	<u>description</u>	<u>article number</u>
4-SCR-CM	connection cable conductivity sensors, sold by meter	44136352K
